Conway Exports Private Limited

www.conwayexports.com

We are the leading manufacturer, exporter, importer and supplier firms having a global reach for its offered Animal Repellers and Chaser. Our line of products is widely appreciated for its sturdy construction, precise dimension and long working life.

About Us

Since **1989**, **Conway Exports Private Limited** is at the vanguard of presenting excellence as a dominant manufacturer, exporter, importer and supplier firm developing world class Animal Repellers and Chaser. We compete in the international market with a broad gamut of quality approved products including Bird Repeller, Bird Control Repeller and Ultrasonic Bird Repeller. The secret behind our solid international presence is the complete line of features of our developed products that are extremely praised for better protection, superior resistance to impact, effective against repelling pests, dust resistant fitting and precise dimensions.

In order to meet the business needs of our valued patronage from across the globe, we strive to adapt new technologies and new business policies. Our proficient team devises the business strategies to harmonize our production processes with the rigorous requirements of our clients. We have executed leading technology at our infrastructure which includes assembling machines. Moreover, we import best-in-class components from Taiwan and Japan. We implement skilled business ethics in all our processes to garner the business needs. Our clients from across the nation, including exporting countries of Europe, Malaysia, Indonesia, Japan, Indonesia and South Africa find our products reliable and most equitable.

Under the valuable guidance of **Mr. Om Prakash**, we are equipped to focus on the high-tech manufacturing operations and business functions to spread our line of products into diverse geographies. He urges us to create a active presence in the industry by expecting the client needs.
